## GENTS SCORE CARD

**“PERFECT GOLF”  
if only...**

...the golfers in front replaced divots, repaired pitch marks, smoothed out bunkers, kept just behind the match in front not just in front of the match behind, walked briskly between shots – what a perfect game of golf would be!

*from the people behind*

## LOCAL RULES

### 1. Out of Bounds

A ball is out of bounds if it is lying

- (a) in-line with or beyond any boundary fence.
- (b) in-line with or beyond the practice area denoted by white posts between the 15th & 18th holes.
- (c) in the practice area boundary ditch adjacent to the right of the 18th hole.

### 2. Ground Under Repair

Relief can be taken under rule 25.1 for the following

- (a) all newly turfed or seeded areas.

### 3. Immovable Obstructions

Relief can be taken under rule 24.2 for the following

- (a) all shelters, seats, drain covers, marker posts, pill boxes, searchlight post, greenkeepers' huts and greenkeeping equipment.
- (b) Where a ball lies on the path between the 9th and 10th holes, the ball should be dropped in the dropping zone in front of the 10th tee.
- (c) Fixed sprinkler heads. Note: If the sprinkler head is on or within 2 club lengths of the putting green of the hole being played and intervenes on the line of play between the ball and the hole the player may obtain relief as follows:

If the ball lies off the putting green but not in a hazard and is within two club lengths of the intervening obstruction, it may be lifted, cleaned and dropped at the nearest point to where the ball lay which (i) is not nearer the hole, (ii) avoids such intervention and (iii) is not in a hazard or on the putting green.

### 4. Unidentified Ditches

These are to be treated as a Water Hazard (Rule 26).

### 5. Stones in Bunkers

These may be removed without Penalty.

### 6. Distance Measuring Devices:

For all play at Furness GC, a player may obtain distance information by using a device that measures distance only. However, if, during a stipulated round, a player uses a distance measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

### Guidance

Please respect the following

- (a) 3rd Tee - please allow the game ahead to reach the green before driving off.
- (b) 7th Tee - please do not drive off until the game ahead has rung the bell to indicate they are out of range.
- (c) 9th Fairway - please make sure that the public footpath crossing the Fairway in front of the green is clear before playing to the green (pedestrians have the right of way).
